**A Double Celebration!** Not only are we proud to celebrate our 30 year Anniversary (1992–2022) of Grace Place, Inc., but in addition and with deep appreciation, we announce Carla Burton's, our Director and Founder, decision to retire. Over the 30 years Grace Place has existed, Carla has had a positive impact on the lives of thousands of people. She has worked tirelessly to build relationships with Grace Place families, volunteers, Winona, and surrounding area. These relationships have established a strong foundation for the ministry and a huge positive impact on much of SE MN and Western WI communities. We are truly thankful for Carla's leadership, commitment, and service. She is truly "one of a kind." **Come celebrate with us!**
